

# Jeff Howard

(405) 370-3820  
resume@phrough.com

## Objective

To obtain a position which challenges and expands my skill set while working with top design and development talent.

## Education

**University of Oklahoma**

**1998-2003**

Bachelors in Business Administration, majoring in Management Information Systems, 20 f03

## Skills

PHP, MySQL, HTML, CSS, JavaScript (jQuery), Photoshop, WordPress

## Work Experience

**GDD Interactive**

**2009 – Present**

**Sr. Developer**

**Dallas, TX**

As sole developer, provide technical expertise for all projects, including front-end (CSS, HTML, jQuery) and back-end development (PHP, MySQL, PayPal integration), through entire project lifecycle.

Work with account services to manage project time lines and resource availability.

**Black Ops Studio**

**2008 – 2009**

**President**

**Tulsa, OK**

Started two person design agency, providing clients with start-to-finish web services, including design, front-end development (HTML, CSS, jQuery) and back-end development (PHP, MySQL).

**Moxie Inc.**

**2005 – 2008**

**Vice President**

**Bali, Indonesia**

Developed high return affiliate marketing campaigns using pay-per-click advertising.

Increased domain name appraisal revenues by 300% through complete site overhaul, including design, front-end development (HTML, CSS), and back-end development (PHP, MySQL, SkipJack ecommerce integration, Google Checkout integration).

**Match.com**

**2003 – 2005**

**Sr. Design Technologist**

**Dallas, TX**

Developed front-end code (HTML, CSS, JavaScript) for websites and email marketing campaigns.

Developed robust PHP/MySQL based project management application for internal use.
